

# Heliskiing Kamchatka

Experience heliskiing on the peninsula Kamchatka with ALPIN TRAVEL, Switzerland. Enjoy fantastic ski runs in a unique scenery. An adventure for very good skiers - maybe as well a highlight of your skiing career? The helicopter will drop you off high up on the top of lonely volcanoes. The ski enjoyment is incomparable and the 'ultimate in skiing': virgin slopes, a marvellous landscape and sometimes you even reach sea level. There is the helicopter waiting for you to bring you up for a new enjoyment.

## Itinerary

### Day 1 - 2 Europe - Petropavlovsk

Flight to Petropavlovsk Kamchatsky. Transfer from the airport to the hotel. Overnight hotel.

### Day 3 - 8 Kamchatka/Heliskiing

6 days of heliski in different regions. We will choose the best descents, areas and snow conditions for you. If the conditions are good, you have the possibility to ski runs of 2500 vertical meters. Overnights hotel.

### Day 9 Petropavlovsk - Europe

Transfer from the hotel to the airport. Flight back to Europe.

### Stopover program in Moscow

We are pleased to organise a stay in Moscow for you.
